Rodger's and Hammerstein's **OKLAHOMA!**

On October 21 and 22, the M-F-L Music Department presented Roger's and Hammerstein's Oklahoma under the direction of Mr. Fremont Ogle. The main characters are listed above. These people, with the help of the chorus members, pit band, and stage crew provided the talent needed for a success.

The pictures to the left portray several scenes from the musical. To the right, Judd Fry, seated, and Curley, standing, lament "Pore Jud's" fate in song. Just below are Gertie and Ali Hakim shortly after being married. In the lower right corner, Aunt Eller looks on the main characters of the show, giving them her blessing. Directly above, Ali Hakim, the peddler, whows Laurey, Aunt Eller, and Ado Annie some of his finer wares.

HOMECOMING

Many Activities Highlight The Week

Festivities got off to an exuberant start with the pep assembly Friday afternoon where the following queen and king candidates were presented: Larry Hook, Debbi Kurdelmeyer, Scott Monserud, Sheila Marovets, Jim Langholz, Janelle Lamker, Dennis Drahm, Chris Ridout, Dennis Schultz, Denice Ihde, Mark Wold, and Sue Bernhard. Chris Ridout was crowned queen and was presented with the traditional dozen long stemmed roses. The cheerleaders helped to increase the school spirit by planning activities during the week. There was a sign contest, Blue and Gold Day, selling of spirit cake, and football mums. The climax of the day was a football victory over Central of Elkader, with a score of 22 to 7. At the dance following the football game, Queen Chris crowned Dennis Schultz Homecoming King. This topped the activities of a very successful day.

He is at the lower left showing David Hoth a few tricks. Our third assembly was Mr. Hostetter, who is pictured below, explaining to Randy Kruse and Aaron Swestka what happened to him from smoking too much. The last assembly was a concert by the Waverly-Shellrock Choir, who sang a variety of different songs for us, under the direction of Mr. Alan Hagen.

Mr. Bucky Solberg, Representative

THANK YOU to . . .

- . . . Renea Kirkeberg, Judy Suddendorf and others who furnished pictures.
- . . . Jerry Carroll who took all the formal and large group pictures.
- . . . our own school photographers and darkroom workers who spent many hours enlarging or reducing pictures so they would "just fit."
- . . . the Annual Staff who planned,

wrote, fitted, pasted, typed, measured and then sometimes re-did the whole thing.

- . . . Mrs. Kruse who shared her room with us.
- . . . the business staff who sold and planned the ads.
- . . . the teachers and students who took time out of their school day so that many of these pictures could be taken.
